

That is so amazing and even more amazing that you take the time to tell us. Thanks for being so persistent when I resisted change. Turned out to be one of my better decisions!!!

Hope all is well!

Hi Lori & Linda!

Just think- Memorial Day weekend is almost here!

For April your gross rate including transaction and all other fees was 2.2729%. Based on your volume for the month you saved on an annualized basis \$9,194.13 compared to your old processors.

As usual you had no downgrades out of 295 MC/Visa transactions for sales totaling \$77,619.11.

Cheers!

Bill
