**KANSAS CITY'S PREMIER
FULL SERVICE TICKET BROKERAGE**

March 30, 2006

**Jeff Schram
Star Tickets Plus**

Dear Jeff,

Please know that we have been using Transcom Payment and Matrix Payment Systems for our own credit card processing service and we also refer them to our ticket broker customers that use our Ticket Technology POS software. We have received great service and our customers also say they have received great rates, great service and real good follow up on all aspects of merchant bankcard processing accounts.

Please feel free to contact me with any questions.

Thank you,
